

CALVADOS

AOC Calvados

Comte Louis de Lauriston

Les Parcellaires is a unique new range highlighting the distinctive character of each Norman micro-terroir through exclusive Single Cask bottlings.

Crossing Arromanches-les-Bains, along the seafront of the D-Day beaches, or Juvigny-sous-Andaine and Aurilly in the Domfrontais region, Les Parcellaires tells the story of these terroirs — and of the craftsmanship of the people who shape Calvados with true personality.

Single Cask #4

Vintage 2007 - Bottled in March 2025

192 bottles - 47.6% vol

Produced in the commune of Arromanches-les-Bains, near the D-Day beaches.

This Calvados was distilled in a column still close to the sea.

Tasting notes:

Aromas of baked apple, flowers, and exotic wood.

The palate is rich and intensely expressive.
