

CALVADOS MILLÉSIME

1973

Calvados Domfrontais

Comte Louis de Lauriston

This Calvados is adorned with a beautifully deep amber colour, with greenish flashes.

The nose is characterized by rancio, nuts and rustic greenwood.

Fully bodied, it has a lingering taste due to a pleasant astringent hint.

Guide des Vins Gilbert & Gaillard - Edition 2010 (France) :

"91/100 - A deep, coppery old wine colour. Expressif, cooked and smoky nose. Notes of baked pear. Overall very full in the mouth, fat, round and blending nicely into long flavours. A good vintage".
