

EAU-DE-VIE DE POIRÉ

Eau-de-vie de Poiré

Comte Louis de Lauriston

Les Parcelles is a unique new range showcasing the distinct characteristics of each Norman micro-terroir through exclusive Single Cask bottlings.

Crossing Arromanches-les-Bains, along the seafront of the D-Day beaches, or Jouvigny-sous-Andaine and Aurilly in the Domfrontais region, Les Parcelles tells the story of these terroirs — and of the craftsmanship of the people who shape Calvados with true personality.
